The ADHE Scholarship Application Management System (SAMS) is Arkansas's scholarship portal used to apply for state scholarships. Be sure you get your account setup. You can signup for text alerts from ADHE.
**Also if you have a senior who plans to apply for the Arkansas Future Grant for the Fall of 2023, the student will want to wait to create their SAMS account after January 15 so that the awarded is given to the correct semester. Click here for full list of ADHE Scholarships available through SAMS
